TEA
AUCTION

Is now held every week in Chicago, when from 4,000 to 5,000 Chests of Tea are sold for cash.

We are large buyers, and propose to give the Tea-drinkers of this city and the North-west a chance to participate in the economy of this auction system. Tea stores and small dealers are exacting enormous profits on the Tea sold by them. We shall sell these Auction Teas at a profit of from two to five cents per pound.

At our Tea and Coffee Dept. we have arranged a side counter whose samples will be displayed, and each bottom priced marked on them in plain figures, ranging from 15c and 25c to 35c and 40c per lb. No chromos, no premiums, no pictures, no glassware, no discount; prices are not in any quantity from 1 lb. upwards.

Teas at 40c will compare favorably with Teas usually sold at 60c and $1.00 elsewhere.
